[57] CLAIM

The ornamental design for a din connector for a computer cable, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a din connector for a computer cable showing my new design, it being understood that the broken lines are for illustrative purposes only and form no part of the claimed design; FIG. 2 is a side elevational view thereof, all three opposite sides being mirror images of that shown; FIG. 3 is a front elevational view thereof; and FIG. 4 is a rear elevational view thereof.
